If I Could Fly - One Direction

Arranged by Joyce Leong
January 2016

If I could fly, I'd becoming right back home to you...

I think I might give up ev'ry thing, just ask me to...

Pay attention, I hope that you listen, Cause I let my guard down,

Right now I'm completely defenseless, For your eyes only...

show you my heart, For when you're lonely and forget who you are I'm missing
half of me when we're a-part, Now you know me, For your eyes only.

For your eyes only I've got scars, even though they can't always be seen And pain gets hard But now you're here and I don't feel a thing Pay attention, I hope that you listen, Cause I let my guard down, Right now I'm completely defenseless.
