It's just a - no - ther night,
And I'm star - ing at the moon,

I saw a shoot - ing star, and thought of you.

I sang a lulu - by
By the wa - ter - side, and knew__

If you were here, I'd sing to you.
You're on the other side as the skyline splits in two,

Miles away from seeing you.

But I can see the stars from America,

I wonder, do you see them too? So open your eyes and see,
The way our home.
And all of the lights will bleed,

Into the night with me,

And I know these scars will bleed,

But both of our hearts believe,

All of these

stars will guide us home.
I can hear your heart, on the radio beats,
They're playing "Chasing Cars" and I
thought of us.
Back to the times you were
lying next to me___
I looked across and
fell in love,
And so I took your hand, Back through
